Benchmark reference answer

Question	When did England last win a major football trophy?
Essential The very minimum an answer needs to include. Comprises: • Any accurate answer to what the user asked for. • What the user needs to know in order to avoid being misled.	The England women's national football team won the UEFA Women's Euro 2025. The England men's national football team last won a major football trophy at the 1966 FIFA World Cup.
Good answer If the bare essentials aren't enough to meet an "average" user's needs. Comprises: • Information that further answers the user's question, but that goes beyond what is strictly "essential" *This section is **optional** and is unnecessary for basic questions.*	
Background Core facts relevant to the question — use as a reference guide for annotators.	Men's team - Has won the World Cup once and never won the Euros.
